

Eye Cloud pro Names TSYS Merchant SolutionsSM the Exclusive Partner for Integrated Card Processing

Eye Cloud Pro has named TSYS Merchant Solutions the exclusive partner for payments processing, offering optical merchants advanced payment technology and security, at the industry's most competitive rates.

The partnership with TSYS Merchant Solutions is specially designed for optical merchants seeking help with the transition to EMV[®] card acceptance and PCI compliance.

Technology

- **Assistance with EMV conversion.** In October 2015, liability for fraudulent transactions shifted from issuers to business owners who have not upgraded to chip-activated terminals. Upgrading now ensures compliance while protecting both business owners and their customers.
- **PCI Compliance.** Point-to-point encryption to help protect customer card data and reduce scope of compliance.
- **Apple Pay[™], Samsung Pay[™], and other mobile wallets.** Support for current and future NFC payments and PIN debit.

Pricing

- We guarantee we will meet or beat your current processing rates - Or we will pay you up to \$500.*

Service

- Live, 24/7 U.S.-based support.
- **Reliability.** TSYS' processing network maintains 99.9989%+ uptime.
- **Stability.** Every day, tens of thousands of businesses rely on TSYS to process their more than 44 million transactions safely and securely.
